There was a meeting of full Council on the 18th October at which question slots had already been secured. The Clerk was requested that he write to Cllr. One member of the public requested that he be allowed to permanently fix his own self-designed village map on the existing 'spare' panel within the Llandyssil bus shelter. The map would show the location of local residential addresses (NOT the occupants' details) - mainly for the benefit of courier delivery drivers. This was agreed by Council.
