 Jeff Daniels, Katherine Waterston

Sat 23rd April 7.30pm Abermule Community Centre

Admission: Adults £4.00 Child £2.00 BAR Enquiries: 01686 630 240

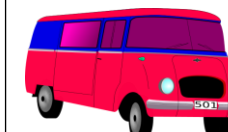

His passion and ingenuity have been the driving force behind the digital age.
 However his drive to revolutionize technology was sacrificial. Ultimately it
 affected his family life and possibly his health. In this revealing film we explore
 the trials and triumphs of a modern day genius,

The late CEO of Apple inc. Steven Paul Jobs.

NEXT SHOWING: Miss You Already Sat 21st May 7.30pm

Your suggestions welcome for our programme.

UPDATE FROM YOUR COUNTY COUNCILLOR

1 Council Tax increase 2016/17 On 25th February the Council agreed a 3 years financial plan for the period 2016/19, which identified savings in the period of £29.8 million which will take the Councils total saving in the period 2012/19 to £83million. On 9th March the County Council agreed on an increase to Council Tax of 4.25%. This includes an additional 0.3% to fund increased levy from the Fire Service and the 0.5% annual levy to repay money the Council has spent on fighting the wind farm proposals. The Council Tax increase ended up a little higher than anticipated due to additional funding being provided to education (£1.2 m) and the domiciliary care service (£1.05m). This left the budget needing a Council Tax increase of 5%, but Council agreed to use £0.5m reserves in order to keep the C Tax increase at 4.25%. The average Council Tax increase across Wales is 3.71%, and the average of the three Councils that received the poorest settlement is 4.40%.

2. Update on wind farms. As from 2nd March the protocol for determining planning applications for wind farms changed. Now all wind farm applications over 10MW (2/3 turbines) will be determined by Welsh Government and not by DECC. The Welsh Government renewable energy policy encourages wind farm development in strategic areas, and as a result we are expecting a number of applications currently either with Powys CC for determination or with DECC for determination, now to be submitted to Welsh Government.

3. Rent Smart Wales. Just a reminder to all property owners who let your domestic property. By November 2016, you either have to hand over the management of your rental properties to and accredited agent or must have undertaken a landlords training course and attained the status of a registered landlord. To find more information please see the Rent Smart Wales website. Landlord day courses cost £100, course in Llandrindod on 24th May.

4. Update on 3 weekly residual waste collection. Currently the increase in recycling since the introduction of the 3 weekly residual waste collections in November 2015 has been maintained and sees the Councils recycling rate currently just under 61%, and well above the current 58% target. Plans to move to a 4 weekly residual waste collection in 2017 have been withdrawn and not expected to be introduced until at least 2019/20 (if at all).

Cllr. Wynne Jones (Elected Member for Dolforwyn ward- Powys CC)

Tel: 01686 630655 email: cllr.wynne.jones@powys.gov.uk

GOVERNOR VACANCY - ABERMULE SCHOOL:

The school has a strong community ethos and enthusiastic staff team providing a rounded and supportive education for all pupils reflecting their differing needs and abilities. The latest Estyn inspection gave the school a 'Good' rating. There is an equally strong and active governing body and governors find their involvement with the school a most worthwhile and enjoyable experience. There is training programme to assist new governors understand their role and responsibilities.

If interested please contact Rufus Fairweather (Chair) Tel 630664

NEWS FROM YOUR COMMUNITY COUNCIL Cllr. Jill Kibble (Chair) 630262

Council Clerk : Gwilym Rippon 01938 554065 llandyssilcommunitycouncil@yahoo.co.uk

website: www.abermulewithllandyssilcommunitycouncil.org.uk

SMALL GRANTS: This scheme is set to run again with a maximum grant of £250. Smaller applications are encouraged and must be for a specific purpose not for general running costs. Applications by 30th June forms available from May (via the Clerk or website)

PRECEPT: Full details on the website of a small increase to allow for delivery of services that Powys County Council may cease to provide, maintain the Community Burial Ground and provide additional support for community centres as Powys grants are withdrawn.

EMERGENCY PLANNING: contingency plans to ensure community contacts are readily accessible are being put together. Contact us for details.

CONSULTATIONS: Council responded to changes to the Local Development Plan; the National Development Framework; Service Delivery for older people; the Local Government Reform Bill and Planning Act Wales. The latter is bad news with the WG wresting power from Local Planning Authorities. WG will determine all windfarm applications between 10 and 50MW and will shortly have devolved responsibility over 50MW. The implications for Montgomeryshire are immense considerably increasing the likelihood of windfarm covered hills plus pylons and transformer stations.

OPPORTUNITY FOR LOCAL BUSINESSES - SERVICE TENDERING The Vale of Montgomery Cluster (Abermule, Llandyssil, Forden, Trelystan, Leighton, Kerry, Sarn, Dolfor, Berriew, Montgomery) is seeking expressions of interest to provide the following services in the area: grounds maintenance; urban verges; street / road cleaning. VMRC wishes to hear from local businesses interested in delivering any of these services. Contact Glenys Smith (VMRC Clerk): townclerk.monty@btinternet.com

YOUR OPPORTUNITY TO JOIN THE COMMUNITY COUNCIL: Become more involved in your community. There is a casual vacancy for a Councillor. We are a very active Council that aims to get things done as well as representing community interests. Please contact the Clerk for a short application form or any Councillor for an informal chat. Look forward to hearing from you !
