## **OCTOBER 2018**

The Abermule Communities Together committee have had received overwhelming support from the local community in fighting this recycling plant foisted on us by Powys County Council. The communities surrounding Abermule have been wonderful and turned out in strength on Saturday to protest against the industrial size processing plant, on what we were lead to believe would be a prestigious business park, on the entrance to Abermule. Have no doubt - this will affect all of us, with up to 600 large vehicle movements a week, the noise of glass being tipped throughout the day and potential for infestation on a site known to flood. A massive thanks to Glyn Davies, MP and Russell George AM who have pledged their full support to us. The newspapers have featured us and so has the radio and TV channels. This will escalate further! We must now take this to County Hall Llandrindod Wells on October 18th and show the Powys County Council that we detest and reject the way this matter has been dealt with by Asbri Planning Cardiff and Powys Planning Authority. If we don't show strength on this matter, who knows what else the planners will dump on Abermule. Subscribe for the latest news to: Abermule Communities Together on Facebook.

### **TAKING OUR PROTEST TO COUNTY HALL**

**We are organising a coach to County Hall, Llandrindod Wells on Thursday 18th October. It will be an early start otherwise consider sharing transport. Please watch for updates on the Abermule CommunitiesTogether group page on Facebook / Village Notice boards.**

## **County Cllr Gareth Pugh elected member for the Dolforwyn Ward.**

It was good to see such a big turnout for the march on Saturday regarding the Recycling Bulking Facility. I think we now have to accept that planning has been granted and despite views on this we need to move on and put pressure on PCC being the developer. As our local MP said Cllr Rosemarie Harris-Leader, Powys County Hall, Spa Road East, Llandrindod Wells, Powys, LD1 5LG – is where we need to be sending our letters to. We must put pressure on her to realise the mistake PCC are making by siting such a development on a business park here in Abermule.

I note a lot of comments on A.C.T Facebook page, I urge you all to think carefully about the wording of comments etc to keep the credibility of this form of communication. There is a full council meeting on 18<sup>th</sup> October at Llandrindod Wells where Jane Rees Vice Chair of Community Council will be asking a question to full council and A.C.T will be organizing transport and hoping to have a big public turnout to show their support against this development.

I am pleased to confirm that our local MP Glyn Davies and AM Russell George are fully behind the Abermule community regarding this development.

If you have any council matters you need to discuss, please do not hesitate to contact me.

## **ABERMULE WITH LLANDYSSIL COMMUNITY COUNCIL :**

On 21st September, the winners of this year's **Montgomeryshire Village Award** were announced. Whilst we congratulate eleven of our neighbouring villages for their highly praised participation in this year's scheme - for winning the many individual, school and group awards, and of course the one prestigious MVA plaque - now is the time when we should be discussing our plans for entering Abermule into 2020's next MVA round of awards. Much work will need to be done between now and then to prove how strong, caring and vibrant a community we have in Abermule, by demonstrating to the judges such aspects as: (i) entrepreneurial spirit and innovative ideas, (ii) involving a wide spectrum of adults and young people, (iii) celebrating our cultural heritage, (iv) respecting our local environment, (v) adapting to changes and securing a resilient future, (vi) pride of place and of community, and (vii) any exceptional neighbourhood features.

It's been over twenty years since Abermule was last commended for its exemplary community spirit, as the words of the displayed certificate of 23rd March 1996 records: "This award was made by the High Sheriff of Powys to the People of Abermule, in recognition of great and valuable services in the community. This award also recognises the appreciation of the residents said High Sheriff's Bailwick for activity and contribution in enhancing the life of this community." Do you know where you'll see that document today? Let's do it again!

**111 GP Out of Hours Service** From 3 October 2018, the Shropdoc GP Out of Hours service and NHS Direct Wales will share one easy to remember number 111 #111Wales Access both services on a single, free to call, number – 111. GP out of hours services will still be provided by Shropdoc for most of Powys. 111 is being rolled out across Wales and used in England.

Depending on the urgency and severity of your call, you may speak to a health care professional, a nurse, pharmacist or a doctor. If your need is urgent and requires you to see a GP out-of-hours, you will be asked to attend a primary care centre at one of our hospital sites. NHS 111 call takers are trained to recognise when there is a threat to life; if you need an ambulance, you will be put through to the emergency ambulance service.

After over 14 years of outstanding contribution to the management of Abermule Community Centre our treasurer Diane Jones, is leaving. This has been a difficult decision for Diane who has been a passionate member of the Abermule Business Team and Centre Trustee, however due to personal circumstances she now needs to step away from office.

In her role as Treasurer Dianne has dedicated hours of her time ensure that invoices are chased, bills are paid, floats are ready and records are kept up to date. I know Diane will remain a friend of Abermule Community Centre, I wish her all the best for her retirement from office. I will miss her advice, and cake. Thank-you for your support and diligence.

This leaves Abermule Community Centre with a vacancy for both a treasurer and trustee. We would be delighted to receive any expressions of interest for either (or both). Contact Leon 01686 505103
