## **MARCH 2019**

**ABERMULE COMMUNITIES TOGETHER – UPDATE:** Reporting back from our ACT meeting with Ashley Collins, Cllr Phyl Davies and Simon Kendricks today at County Hall, Llandrindod Wells. Helen Mary Jones AM and Russell George AM acted as mediators. Thursday 28th March, 2019.

1/. PCC told us that they will seriously look at our proposed alternative construction site and ask planning to review the LDP restrictions on this sit and if favourable consult Trunk Road Agency, with the view to constructing the RFB there and not in Abermule.

2/. If it proves impossible to move the RFB plant from Abermule, the engineering department have conceded that they will look at all ways they can reduce the size, or reposition the building on the site as well as providing additional suitable screening.

3/. We also asked for compensation for the Abermule community if this RFB plant goes ahead. Your suggestions are invited. Perhaps a new pathway, 'drop in centre', improvements to the Community Centre, etc. Please get all the latest updates and comments from the ACT group page on Face Book.

Jeffrey Matthews Chair of ACT.

### **MONTGOMERY ENERGY GROUP FREE BIKE SCHEME**

Have 30 + superb bicycles to give away to people who want to get cycling. Why is that? Well, Montgomery Energy Group (MEG) run a scheme where we ask people to donate any bikes they no longer have use for, we do them up and then give them away so that adults and children get back onto bikes as an economical and environmentally friendly method of transport, having fun and keeping fit.

So if you want a bike, or have one to donate, or want a free check over of your own bike to get you back on the road (or canal!)

Please call Brett on 01686 669730. Thank you.

It also provides access to our electronic booking platform skedda, here you can add, amend or cancel bookings of the main centre facilities. Cancellations of Car Boot Sales will be published directly onto the website, in the event of poor weather, you may wish to check this before you leave.

As part of our community consultation for our Major Development project representatives from the Trustee Group will be meeting with affiliate bodies to discuss the proposals which include the building of a Sports and Society Clubhouse to the rear of the centre overlooking the sports field, as well as much needed renovation to the Main Hall and Toilets. This will be an opportunity to discuss how the project could benefit your group and explore any additional requests you may have.
