ABERMULE with LLANDYSSIL COMMUNITY COUNCIL :

LOCAL DEMOCRACY UNDER THREAT AGAIN: New proposals for large wind and solar farm 'Priority Areas' in Powys are identified by the Welsh Assembly Government National Development Framework. This will over-ride local planning with applications determined by the Welsh Government. Priority Areas cover one quarter of Powys outside the Brecon Beacons. The Areas carry a presumption in favour of development and will, of course, require extensive transmission infrastructure as there is no current Grid capacity. Powys is to be subsumed into a Swansea / Llanelli City Region and subject to their Strategic Development Plan. Consultation documents, response form & online response link.

<https://gov.wales/draft-national-development-framework> The consultation closes on **1st Nov 2019.**

Renewing Current Bus Passes - new-style Concessionary Travel Card, replaces your current bus pass, current green coloured bus passes are valid until 31 December 2019. If you need to request a paper application, please call 0300 303 4240. <https://tfw.gov.wales/travelcards>

VALE OF MONTGOMERY FOOTPATH VOLUNTEERS

Over the summer months have been working in the Berriew area installing eight gates to much improve the Lower Luggy / Montgomery Canal circular . It is a lovely, varied circuit of just under 4 miles. Now much less of a challenge without some very difficult and broken stiles. There will be an 'inaugural ' walk to celebrate project completion and introduce more people to this delightful area.

Sat 19th October 10am

from Berriew Church by the lychgate.

We will break for coffee at The Three Horseshoes

If interested in the work of the VMRC Footpath volunteers please contact the Team Leader on brett@myphone.coop. There are a range of tasks from vegetation clearance and waymarking to installing footbridges. We work with Powys County Council Countryside Services and, most importantly, with the invaluable co-operation of the farmers.
