**TRIONGL THEATR PRESENTS 'TREE'**

Today is a life-or-death situation. In one hour the local authority of a small Welsh town will decide the fate of a 250-year-old majestic oak tree. Resorting to desperate measures, an environmental activist takes the local councillor hostage, but things don't quite go according to plan..... TREE is a bilingual environmental comedy that asks how far is too far when it comes to saving the planet.

Written by Rebecca Smith-Williams with additional material and dramaturgy from Rebecca Knowles and Valmai Jones.
