It won't be long before spring is here! Why

not build a bird box? National Nestbox

Week 14th - 21st Feb, a great time to make

and erect bird boxes. Plenty of designs

online, but make sure the entrance hole is

at least 28mm in diameter, to allow a wide

range of species to use the box. If you

already have nest boxes, now is a good

time to check they are still in a good

condition and to clear out any old nesting

material before nesting season in March.
